layout of your pages to the mailing of your product - all under one roof. Our 18-unit Goss Urbanite press produces some of the finest four-color products in the Southwest. We're also a proud printer of USA TODAY.

Our 18-unit Goss Urbanite press produces some of the finest four-color non-heatset products in the industry.

Press

We have 18 units of Goss Urbanite press, specializing in newspapers, publications, catalogs and advertising inserts with excellent four-color capabilities. We can also produce glue and trim flexi-type products on-line.

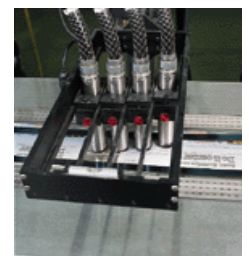

Prepress

Our complete facilities offer design and typesetting, color separations, electronic output (Mac & PC), plus the capability of producing quality product shots in an in-house photo studio.

Postpress

We offer a wide variety of post-press services including inserting, stitching and trimming, ink jet addressing and Cheshire labeling. Our shipping department is also positioned to meet your most critical distribution needs.

We Offer:

- 18-unit Goss Urbanite press
- Up to 160 tabloid pages
- Up to 64 pages of 4-color
- Variable web widths (11" to 34")
- Cutoff of 22 inches
- Broadsheet, tabloid and flexi formats
- On-line quarterfolding
- Wide variety of paper options
